GOING FORWARD WITH GOD

. . . that ye, being rooted and grounded in love, may be able to comprehend with all saints what is the breadth, the length, and depth, and height; and to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God.

Proposed expansion program 1955-56

Our new gym.

EXPANSION PROGRAM

The expansion of the physical facilities of our school are an important part of "Going Forward With God." Overcrowded classrooms, shortage of facilities, and a skimpy curriculum all hinder the development of a well-rounded Christian education.

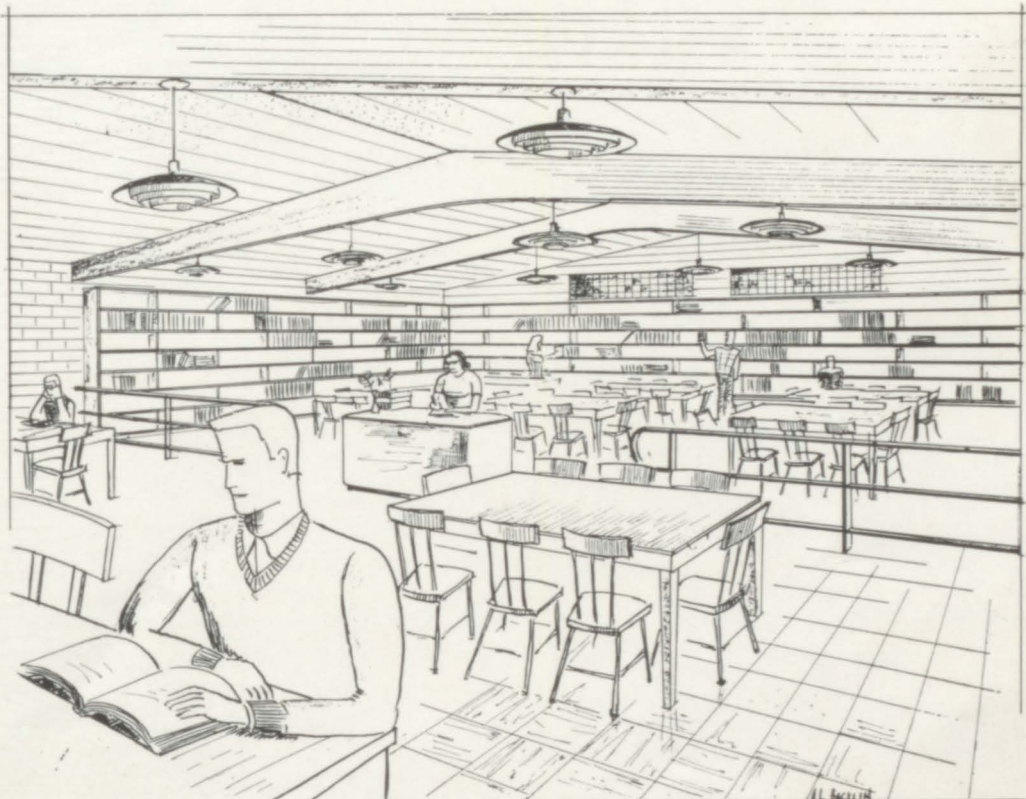

We cannot progress as well in Christian maturity with poor study hall facilities and a limited library.

We are looking forward to doing a better job with the proposed facilities.

OUR PLANS PROVIDE FOR:

1. Five additional class rooms.
2. Adequate library and study hall facilities.
3. A chemistry - biology laboratory.
4. A music room equipped for both choir and band.
5. Enlarged office facilities.
6. Regulation size gymnasium with shower and locker rooms.
7. Kitchen and cafeteria.

Plans for our library-study hall.

FOREWORD

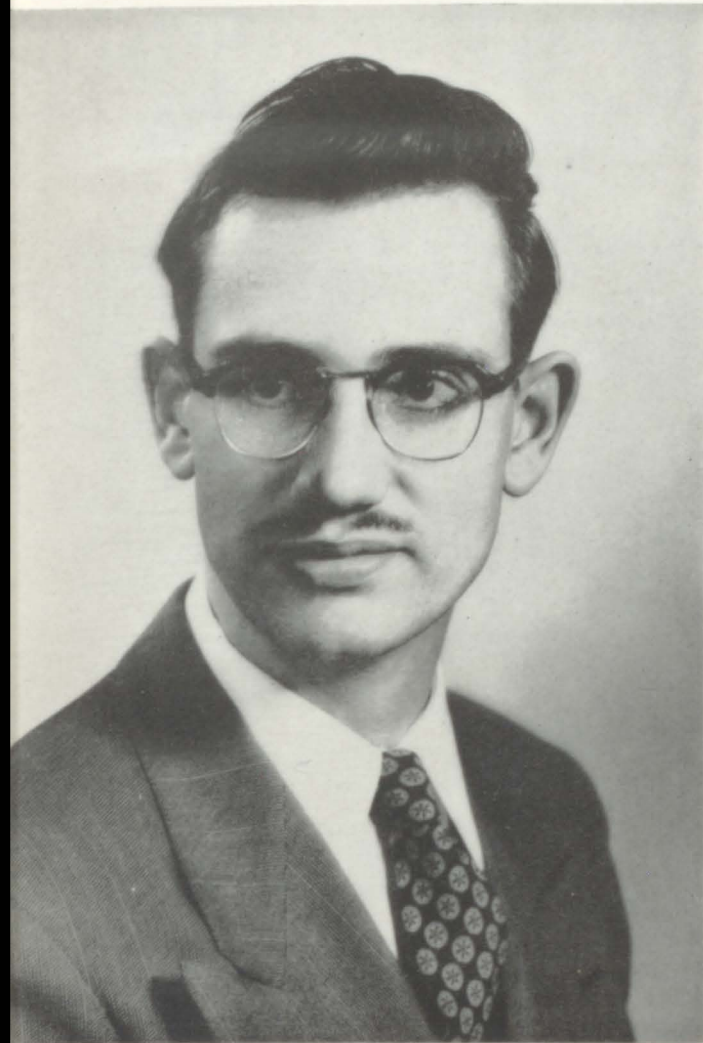

Since Illiana will be made larger in the near future, we wish to portray through our Spire of '55 the importance of this expansion. We believe that this expansion takes place on both the physical and spiritual levels, and we have therefore chosen as our theme "Going Foward With God". We shall try to carry out this theme so that you who read our annual may see that Christian progress is woven through all that we do at Illiana.

DEDICATION

We, the Senior Class of Illiana Christian High, wish to dedicate the SPIRE of 1955 to Mr. Donald Oppewal. He began teaching at Illiana the year we entered as Freshmen, and has been our chief advisor through these past four years. His Christian influence in the classroom will always be remembered by us. He has rendered immeasurable assistance in helping us plan our Junior All-School Party and in arranging our senior banquet and also directing our senior play. Besides this he has helped straighten out the many details of the senior class trip to Washington and also put in many hours as literary advisor of the SPIRE. With this in mind, it is with much gratitude and esteem that we dedicate our annual to him.

"And thou shalt teach them diligently . . ."

SCHOOL BOARD

DEAR 1955 GRADUATES

The teachers of Illiana join me in extending to you our congratulations. During the four years that you have spent at Illiana we have tried to mold your thinking and attitudes along constructive Christian lines. We realize of course that this was done only with varying degrees of success. We hope you will pardon our mistakes and deal charitably with our failures.

As a parting word we wish to remind you that stewardship is a heavy responsibility — of him, to whom much is given much will be required. May God give you the grace in the coming years to see clearly the responsibilities that accompany your blessings and may He qualify you through His spirit to assume those responsibilities.

STUDENT ACTIVITY DAY

1. JOHN BOENDER, Senior: "I'll get this thing running yet."
2. GERALD KUIPER, Freshman: "More than one way to make rain."
3. BEVERLY WALSTRA, Junior: "You name it; we've got it."
4. LEROY DeGRAFF and ANCO BALKEMA, Juniors: "We'll never get all this straightened out."

Once each year the entire school body has the day off to earn money for the Student Activity Fund. From this fund the school meets such expenses as buying athletic equipment and paying for part of each student's annual.

ASSEMBLIES

Each Friday, in distinction from chapel service, the Seniorettes and Visual Education Club present assemblies. The Seniorettes present various types of entertainment with students and outside talent participating. The Visual Education Club shows different types of films.

1. Consequences are more fun than the truth.
2. Illiana's Beaver Valley Sweethearts.
3. Visitors lend variety to the program.

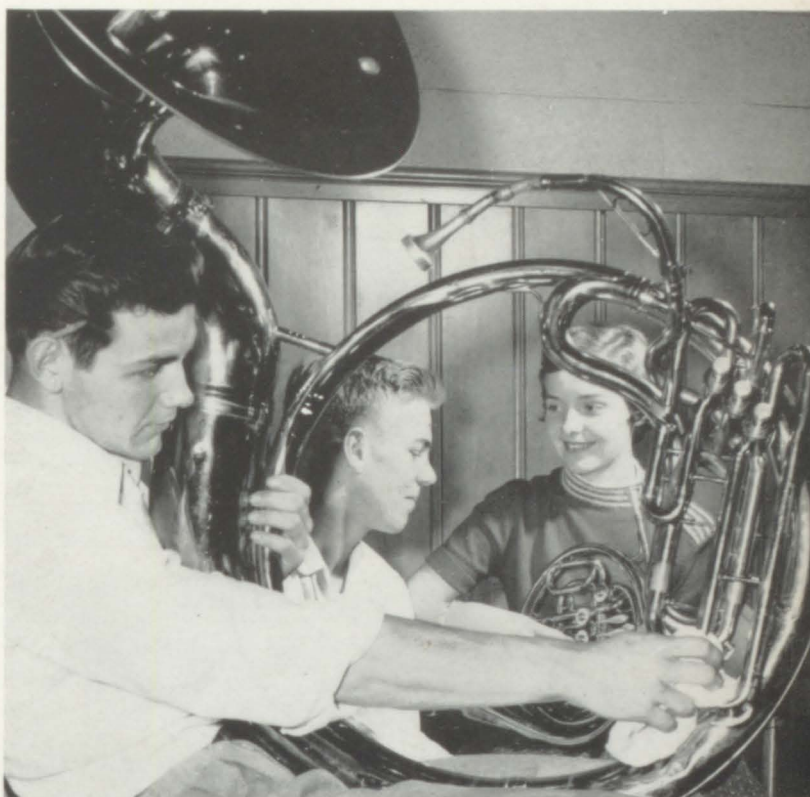

CHICAGOLAND MUSIC FESTIVAL

In February, 1954, the idea was born that the Chicagoland area should join together to present an annual massed music festival. The first festival took place at Thornton Township High School on November 19, 1954, before an audience of approximately 3,000 people. A band of 75 plus a chorus of 450 students participated in the program. Among the schools participating were Illiana, Chicago, and Timothy High Schools, Englewood, Roseland, Evergreen Park, and Lansing Junior High Schools.

SENIOR CLASS TRIP

On the afternoon of May 11 the seniors left for the nation's Capitol, Washington, D. C. aboard a train from Chicago. They arrived the morning of May 12 and began their sight-seeing tour of this beautiful city. Some of the important points of interest they visited were the White House, Capitol, Smithsonian Institute, and the Mint where they saw money made. It was an opportunity for all to see Congress in action and each student to personally meet his state representative. The most impressive scene was the changing of guards before the tomb of the unknown soldier at Arlington Cemetery. Following this they visited Mount Vernon, the home of George Washington, and took a moonlight cruise on the Potomac River. On the evening of May 13 they boarded the train for home.

This trip was planned by Don Boender, Beverly Van Kley, Faye Van Oyen, Jim Molenaar, and Mr. Oppewal, class sponsor. Mr. and Mrs. Oppewal and Mr. and Mrs. Landhuis accompanied the group as chaperones.

We leave in a hurry!

On April 13 the Juniors presented the annual all school party at Roosevelt School in South Holland. They selected as their theme, "The Old Frontier". They carried out this theme with a beautiful painting of the West for scenery. Their dress was that of the Old West, the girls with long, old-fashioned dresses, the boys as cowboys. Rich De Vries did a good job as master of ceremonies. With plenty of good food, entertainment, and laughter, a good time was had by all.

"Watch that waist-line, girls!"

Home on the Range.

"Belles of the Ball."

"Howdy, Folks!"

The Last Round-up.

... In his heart he wanted to leave it all ...

ALL-SCHOOL PARTY

ORATORICAL CONTEST

"Preparing the speech is the hardest part."

The Oratorical contest is held each year to encourage and to develop the art of persuasive and good speaking. Students study a moral and social problem and try to bring out possible solutions to these problems.

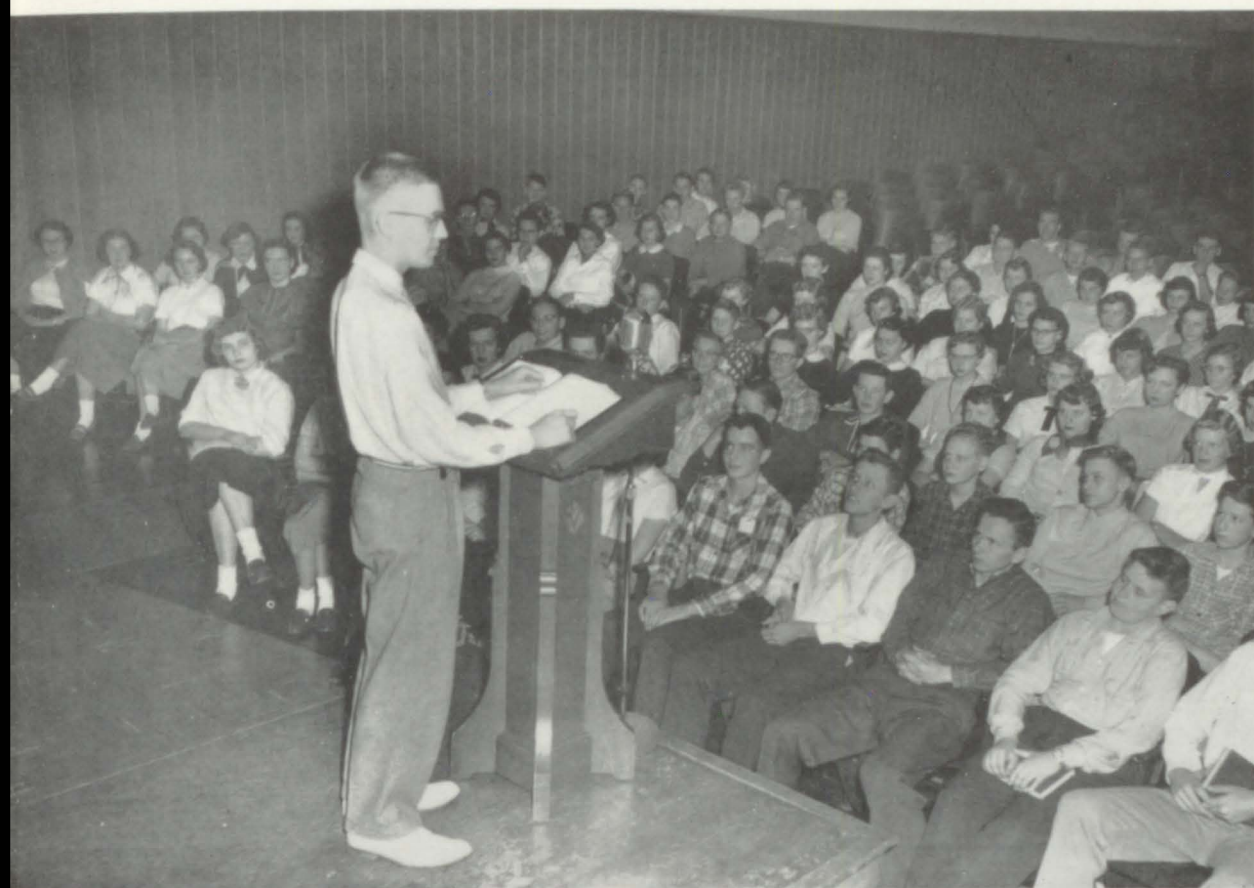

Winners in the elimination contest compete against other schools in the Mid-West Oratorical Contest.

JUNIOR RINGS

"Excitement reigns as the rings arrive"

"If ye abide in my word then are ye my disciples indeed; and ye shall know the truth and the truth shall make you free." John 8: 31-32.

CHAPEL

Our chapel service is an inspiring moment in our day. It is a program that is completely planned by the students. Outside speakers and teachers are called upon to speak, but often we have one of our own students. It gives us a chance to express ourselves in our religious beliefs. The chapel service is one of our student projects. Besides our speakers we have special music almost every day. This talent comes almost completely from our student body.

Larry Arends as the "Yankee"

SENIOR CLASS PLAY

The Senior Class play this year was "Connecticut Yankee in King Arthur's Court", based on Mark Twain's novel of the same name.

In the play the audience saw that, through the comic situations and the quaint dialogue, such things as superstition, the struggle for power, and the quaint formality of the times were being ridiculed. Through the combination of the comic and the dramatic, this play effectively captured the spirit of Twain's belief that people could be laughed out of their follies.

SENIOR BANQUET

The Senior Banquet is undoubtedly one of the most eagerly awaited-for events in the life of a Senior and is intended to be a gala evening of feast and entertainment.

This year our banquet was held at Vogel's Restaurant on April 27. The entertainment was presented by certain members of the Senior class and also by the cartoon chalk-artist, Mr. Hendrickson, from Chicago. The excellent program combined with the delicious chicken served to the class certainly made the Seniors wish that they could have more than one banquet during the school year.

"Manners at its best"

OUR ANNUAL ARRIVES

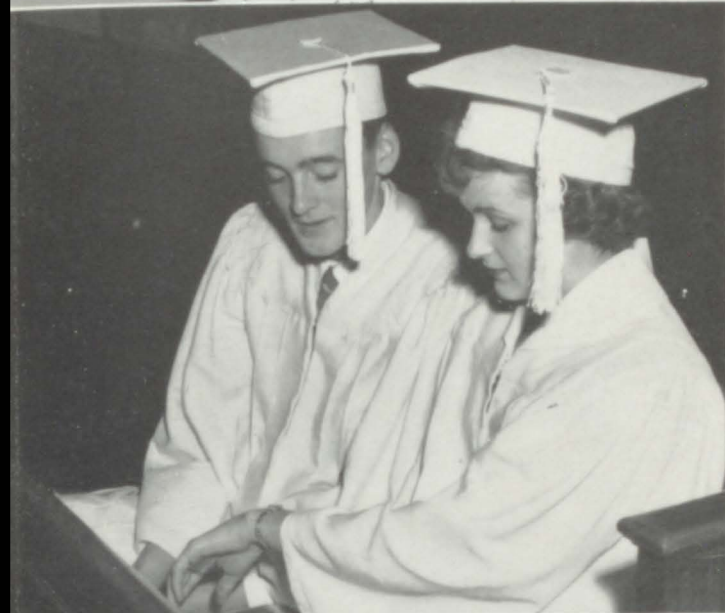

Finally, after months of waiting, the Annual arrives. The underclassmen flock to the Seniors to get their books autographed. The Seniors get a last signature from their fellow students to keep as a lasting remembrance.

"Will you sign it, Senior?"

"Now, that looks better, twin."

"Five minutes to go."

"Congratulations, big brother."

GRADUATION

"Hear instruction, and be wise, and refuse it not." Prov. 8:33.

CLASSES

REV. BUUS . . . "And now for
another point in Christian
doctrine . . . "

REV. RIDDER . . . "At the time of
the Reformation."

In Bible we study, not general revelation, but God's special revelation. In certain Bible courses we learn to develop a Christian personality through studying the Bible. Thus we grow in learning how to better reflect the image of God. In the study of doctrine we learn to understand what God is like through the creeds and systems which man has formulated from the Bible. Learning to know what He is, helps us to understand what we should be.

BIBLE

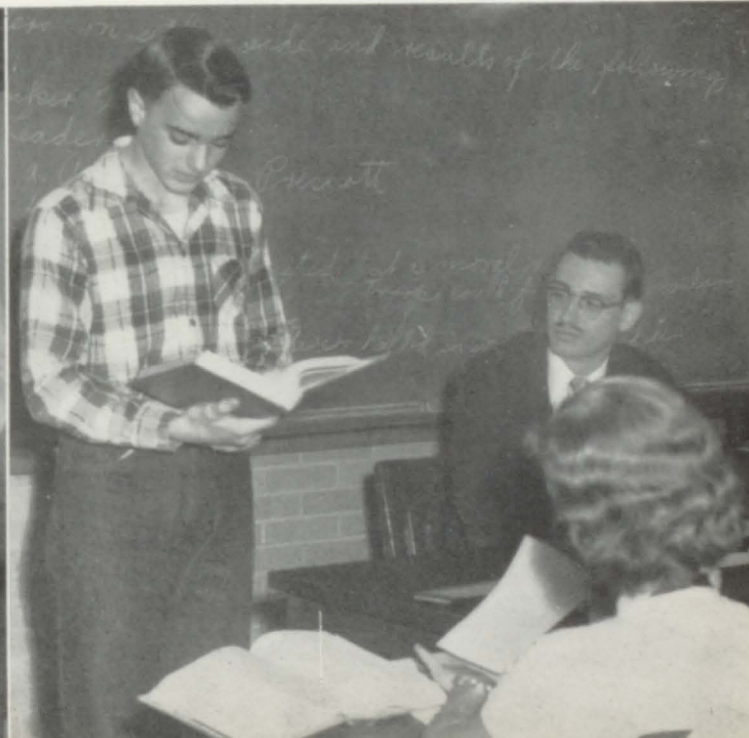

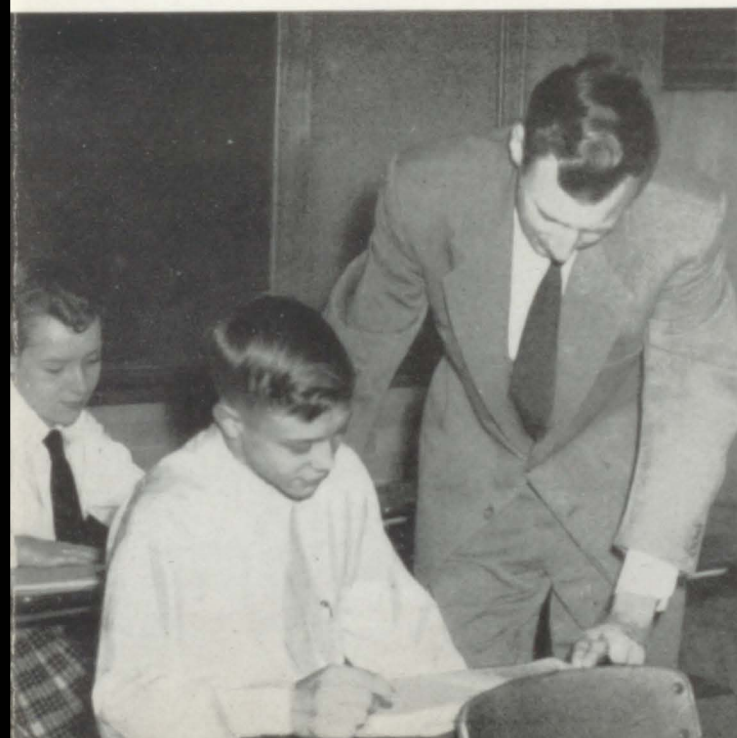

ENGLISH

In English studies there are two divisions in which God's general revelation can be seen. In the study of literature, more knowledge and understanding of God can be gained by observing the ideas and actions of the creatures which He had made in His own image. We study the stories and poems of gifted men who help us to see this.

When studying grammar, we learn not only the rules of good usage but also the logic and pattern of language itself. This is an evidence of the system which God has put everywhere in the world, and through it we grow in knowledge of Him.

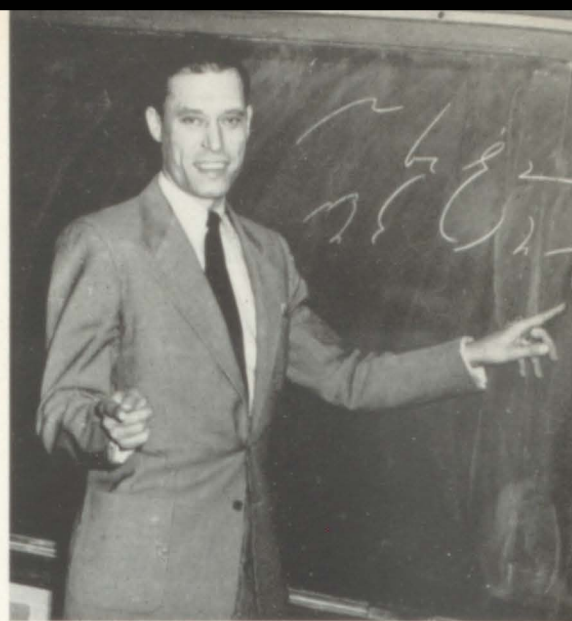

"Now, the subject of this sentence is . . ."

"Not enjoyment and not sorrow is our destined end or way."

Just as in other subjects or fields of study, so too in the business world, we study the general revelation of God. Just as in mathematics we have mathematical laws, so in the business field we have economic laws. These laws are reflected in the business principles which we study and the business practices which we learn in such subjects as general business and bookkeeping.

BUSINESS

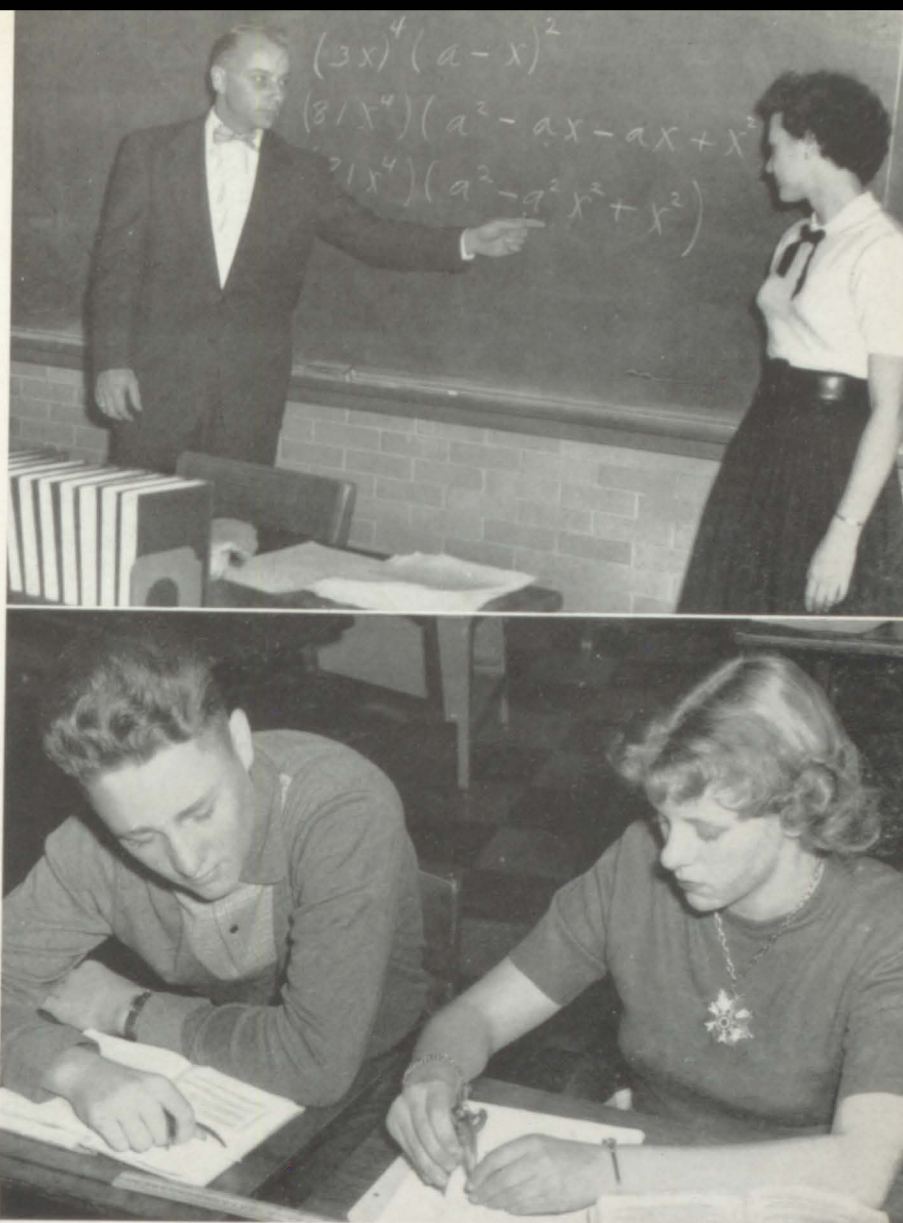

MR. SCHIPPER

"It just won't work."

"All it takes is a little practice."

"Let's see where your mistake is."

"Two heads are always better than one."

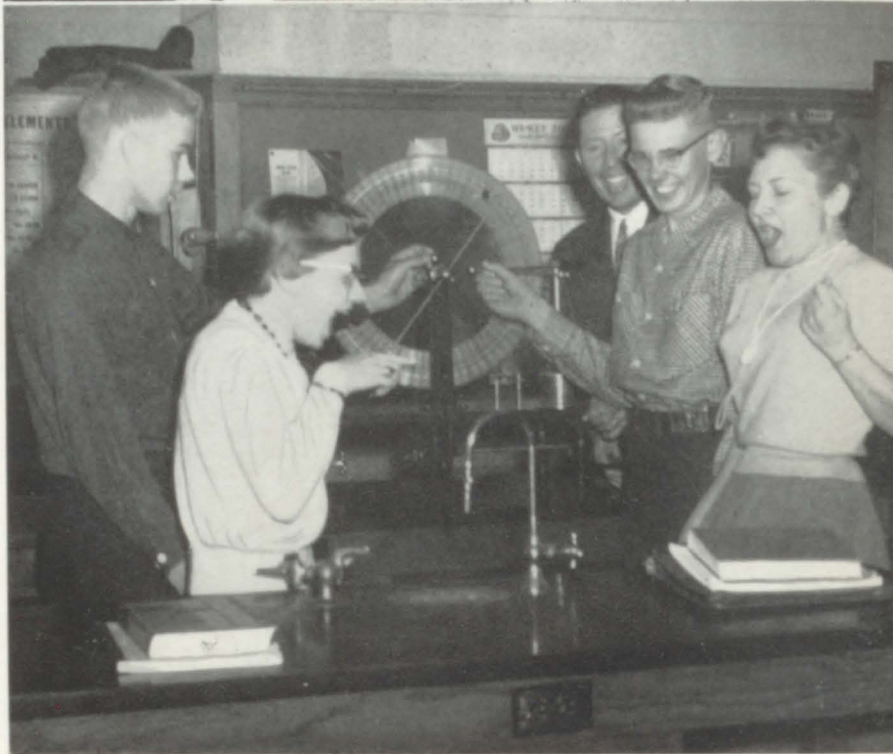

MATHEMATICS

God gave us minds with which to reason. The field of mathematics is not only to teach us how to use figures and digits, but it also teaches us to reason clearly. It is God's will for man to develop his mind as much as possible. If we are to be a more perfect image of God, we must learn to reason. Also the field of mathematics is a system. By studying it we learn more about God's perfect system of upholding the existence of our universe, and we see that in this subject too, we are studying God's general revelation of Himself.

"I hope everything goes all right."

"What a shocking event!!"

SCIENCES

In the sciences we grow to understand the physical world in which we live. By searching the animal, plant and mineral kingdoms, it becomes obvious that God has a definite system that He works out through His general revelation. Seeing the everlasting, unchanging laws of action always producing the same reactions, we find the unchanging God supporting and upholding the world.

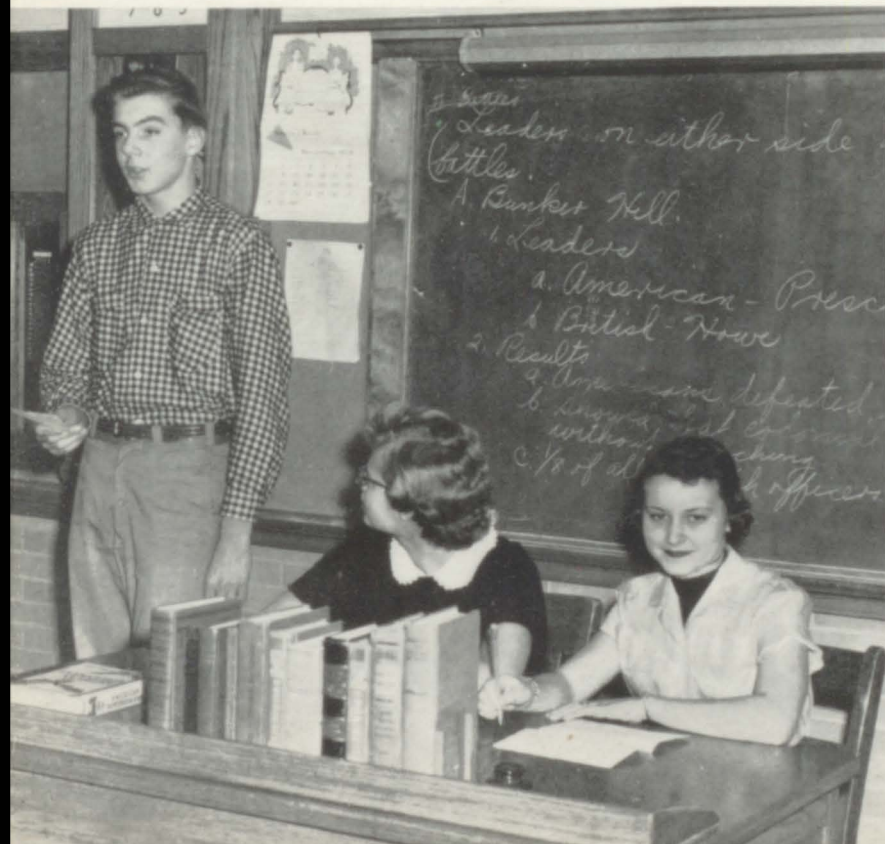

SOCIAL STUDIES

"Now where was that place again?"

Also through the social studies man is enabled to learn more about God by the things that people do. More specifically, we gain in this kind of knowledge in the fields of history and civil government.

The civil laws of our government are merely reflections of the moral law of God. In history we see the results of Man's reactions to this moral law. And so in these ways the social studies help to make our knowledge of God somewhat clearer.

"Now my opinion in this matter is this . . ."

"For God giveth to a man that is good in His sight, wisdom, and knowledge, and joy." Ecc. 2.26.

Bringing to Illiana students the latest news, reviews, and views is the school newspaper, the Echo. This, the official organ of Illiana, gives its readers the chance to be in the know about all that is going on at Illiana. Thought provoking editorials are a feature of every issue. Sports column, record reviews, and student contributions from English classes are also some of the Echo features. It also tries to lend its support to all worthwhile causes. Another job taken on by the paper is to elevate the level of Illiana life by showing the good and not so good parts in the many programs sponsored by or seen by Illiana students. Its prime aim is the elevation and guidance of all of the students.

We, the Spire Staff, have been meeting for the past school year once a week. We have tried to portray Illiana not only as a school where people attend classes but also as an institution which trains its students in the Christian faith. The job, although not always easy, was usually fun. The work started out easily, but the tempo increased to a fast and feverish pace the last few weeks. We worked hard, and we hope successfully, on this annual.

We hope that you will see from our book, how a student goes "Forward With God."

ATHLETICS

FRESHMAN BASKETBALL

Standing - Mr. De Ruiter, Coach.

Left to right - Gerald Kuiper, John Van Zytveld, Leonard Brink, Ronald Vander Werff, Roger Ziglerman, Glenn Porter, Jack De Vries, Jim De Jong, Sidney Boonstra.

Good rebounding wins games.

This year was the first time in Illiana's history that the Freshmen had a team. It was under the able coaching of Mr. De Ruiter.

For most of the boys it was their first chance to play on an organized team and furthermore, for many it was the first time they ever handled a basketball. This fact could easily be seen in the play of the boys at the beginning of the year. But by the end of their first year the boys were becoming more co-ordinated and used to working together as a team.

GIRLS' BASKETBALL

The girls at Illiana again had a good season as a basketball team. This sport offered many girls a chance for physical exercise and a good time. The girls worked hard at practices under the able tutelage of Mrs. De Ruiter. They are looking forward to an even better season next year.

First Row, Kneeling - Donna Vander Weide, Eleanor Vander Vliet, Marcella Schepel.

Second Row, Kneeling - Carol Svenchner, JoAnn De Leeuw.

Third Row, Kneeling - Marilyn Van Beek, Cecelia Meeter, Mrs. De Ruiter, Coach.

"We got a t-e-a-m." This was the first time in the history of the "Green and White" that we had cheerleaders. Practicing hard was their life and never conceding defeat was the mental attitude of this fine group. Their presence at the games was a great morale booster to the students and the team alike. They have been a most welcome addition to Illiana.

Left to right - Joanne Porter, Jacque LaReau, Louise Vander Zee, Laverne Vander Wall, Charlotte Vander Weide, Marlene Vander Geest.

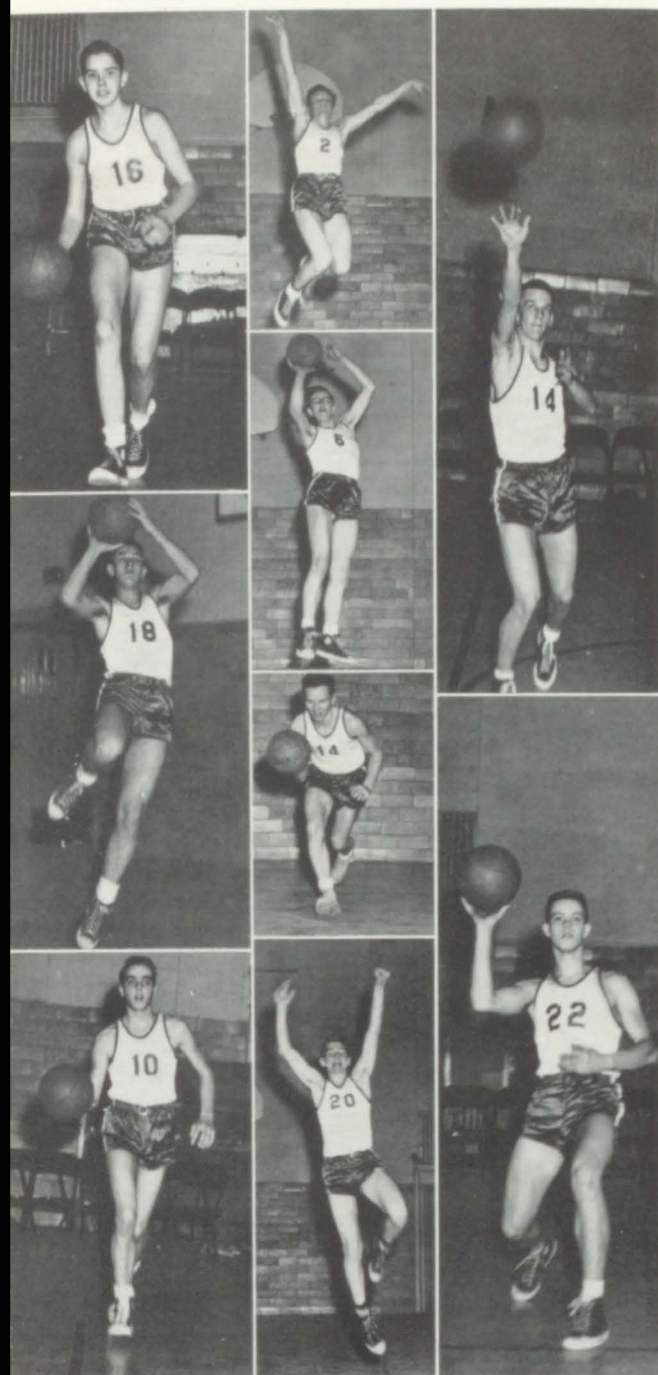

VARSITY BASKETBALL

For the first time since Illiana was organized we had a team that was actively engaged in basketball with other high schools. The "green and white" even acquired a nickname as other schools do. The title chosen by the students themselves was "Clippers." Mr. De Ruiter worked long and hard with the boys in order to fashion a quintet that could carry forth Illiana's name. With no gym regularly available, the team was forced to practice at all hours at gyms in the surrounding towns, and out of doors. By the middle of next year it is hoped that this problem will no longer be among us; for the only way to develop a team is by steady, organized practice. We feel that in the coming years, with the already good student support and high morale, that the Clippers will become a team to be feared. This will take some time but if the student support remains as it is now, the result of a great team is inevitable.

HOWARD AND SONS QUALITY MEATS are famous for delightful personalized service. Howard Groen, and his four sons, (l. to r.) Bob, Junior, Frank and France, are always on hand to personally advise you and sell you, delicious, high quality meats at low, low prices. Howard and his sons have a thorough knowledge of meat and can assist you in your weekly purchases. Remember: If you don't know meat, know your butcher. For the owners of deepfreezers, Howard's can supply you with U.S. Choice Beef at a price that will make your deepfreeze a true economy. Enjoy delicious, melt-in-your-mouth steaks and trim your meat budget at the same time with Howard's Deepfreeze Special . . . cut and wrapped at no extra charge. Howard and Sons Quality Meats are located at 5448 Calumet Ave., next to the License Bureau. There's plenty of free parking in the rear of the store.
